Dear Bob:

The records referred to in your letter of 9 June 1964 were transferred to the Federal Records Center, Alexandria, Virginia on 24 June 1964 in accordance with your request. The total shipment consisted of 35 cubic feet and they were accompanied by copies of Standard Form No. 155, Records Transmittal and Receipt, and a shelf list. These records are not covered by a Records Control Schedule.

In accordance with your request we will continue to store the vital records of this activity in the CIA Vital Records Repository. A copy of the Vital Records Deposit Schedule is attached.

Sincerely,

25X1

CIA Records Administration Officer
